BELOVED MOTHER CALLED TO HER REWARD

Passing of Mrs. J. P. Englund FollowsOperation at Santa Rosa Hospital.

In the passing of Mrs. J. P. Englund another good Sonoma mother has been called to her reward and she is mourned not only by a devoted husband and children but by a large circle of friends in Sonoma Valley. News of Mrs. Englund's death was received from Santa Rosa Monday, She passed away in a hospital there following an operation for a critical illness. Despite the best of medical attention and nursing the fatal malady claimed her and eternal shadows enfolded her just as her daughter Mrs. Emil Cornelius was hastening from Sonoma to be at her bedside as she passed away. Her devoted husband and life partner and other children, Mrs. Marie Brown, Mrs. Ella Brown and Henry E. Englund were also with her at the end.

The funeral took place here Wednesday from the Congregational church of which deceased was a faithful member. She was also prominently connected with the Congregational Ladies Aid Society. Many and beautiful were the floral offfferings which covered the casket and Rev. I. Cookman spoke words of hope and comfort to the bereaved ones while paying deserved tribute to this good woman.

Interment was in Mountain Cemetery.

Mrs. Englund was 62 years of age and a native of Denmark.

COUNTY CLUB WOMEN MET HERE WEDNESDAY

Ten Federated Clubs Attended Meeting And Were Entertained By Sonoma Members.

The Sonoma County Federation of Womens Clubs held its annual meeting here on Wednesday and it was one of the most successful and enjoyable gatherings of county clubwomen ever given. Ten out of eleven clubs affiliated with the federation, were represented and gave interesting reports of their growth and aims. Cloverdale club women sent regrets giving as their reason for not attending, the impassable condition of the state highway between there and the rest of the county.

Among the clubs represented and giving interesting reports were the following:

The Sotoyome Club of Healdsburg, Mrs. Ada Kyle Lynch, president. It was organized as a literary club with four members and now numbers 65. This club plans a pageant and river regatta at Healdsburg next season, the club members to write their own pageant even the music which will accompany it.

The Healdsburg Improvement Club, Mrs. Brinstead, president, has 130 members. This club has been conducting a drive to have its members take shares of stock in the new clubhouse it is building. The club's literary section is studying American authors this year.

The Petaluma womans club had an interesting account of its activities. It has 285 members and Mrs Sale is president. The club inaugurated the custom of paying half the expenses of the president and one delegate to all state club meetings. This womans organization has pledged 3000 dollars toward a civic center any time Petaluma decides to carry forward the idea. In addition to many delightful social affairs and subscription concerts the club is planning a debate on eligibles to the national Hall of Fame. They will debate the elegibility of Marshall, Father Serra, Herbert Hoover and Luther Burbank. The club planted 5 1-2 miles of trees along the state highway the past year.

Santa Rosa clubs included the Philomath club represented by Mrs. Menary and the Saturday Afternoon Club whose president is Mrs. John Plover. Both gave excellent reports and invited the county club women to several big meetings on their calendars.

Mrs. J. H. Weise of The Glen Ellen Womans Improvement club told of the progress of the Jack London Memorial Library at Glen Ellen and announced that work on it would start in the spring.

The Parent-Teachers Association of Santa Rosa was represented and gave an interesting account of the swimming pool and playground it had provided the children. The success of the swimming tank built was attested by the figures on the patronage. 4500 boys and 1200 girls having availed themselves of it.

The Sonoma Valley Womans club told of its work of Mission restoration, fire protection, civic beautification and the acquiring of the fine clubhouse now almost free of debt.

One of the chief speakers on the program was Miss Burton, Sonoma county nurse, who oversees health conditions in rural and remote sections of the county. She reviewed her work in the schools, and among indigents and emphasized the co-operation in social service work, medical, moral and material between herself and the county probation officer and other county welfare agencies. She told of her work in instances of school epidemics and also of co-operation with Mrs. Schwab of the State Board of Health at summer resorts and at labor camps. Flies, water contamination, garbage disposal are all in her province for correction or elmiination. She asked the club woman to report any unsanitary conditions which could not be controlled locally. Miss Burton in her review of school work told of the high per cent of mal nutrition in the schools and advocated the providing of hot lunches and milk. She also stressed the need of a county dental clinic. The dental clinic is the big aim of those concerned with child welfare work this year and all clubwomen were urged to use their influence to establish dental facilities which would be available to all at a minimum charge, or gratis if necessary. Marin county maintains a dental clinic through its Red Cross. The Red Cross Christmas seals are providing aid to dental clinics and in Sonoma County whenever necessary, cases are treated free. The clubwomen were urged to report any worthy cases needing attention. The Red Cross Seal money is available.

The proposition to acquire a grove for a clubwomen's park and camping ground where pageants and plays similar to the Bohemian clubs jinks might be given was discussed. A committee was apointed to consider sites in Sonoma County. Mrs. Ada Kyle Lynch, originator of the idea was chosen president. Mrs. Edgar Clements of the Sonoma club is also on this committee.

A splendid talk on the scope of child welfare work was given by Mrs. Ploer, Chairman of the San Francisco District Child Welfare section. **Mrs. Plover declares that of all clubs of California that the clubs of the San** Francisco district are doing greater **Child Welfare work than any and that Sonoma county in particular has an exceptional record along these lines.** A health clinic for better babies in any community where there is a womans club is one hope of the club women. Mrs. Plover told of the successful effort to get more state aid for mothers caring for their orphan children in their own homes and of public health work in the schools among rich and poor both of whom need the help and advice accorded them. She endorsed the plea for milk in the schools or homes where it was needed and praised the move to get a dental clinic established in Sonoma County.

The meeting ended with a pilgrimage to Sonoma's historic old Mission which was thrown open to the visiting clubwomen. Luncheon was provided at the clubhouse by the Sonoma Valley Womans Club.

The annual meeting of this county Federation will be at Healdsburg in February.

INJURED WHILE DRIVING RACING AUTOMOBILE

Lloyd Hotz Injured At Auto Races Near Pleasanton And Ribs Are Broken.

Lloyd Hotz well known Sonoma boy who was formerly in the auto business here had a narrow escape from death at Pleasanton recently while driving a racing car at the automobile races there. He is a daring driver and while piloting his machine in one of the speed events met with an accident which resulted in two of his ribs being broken and his car badly wrecked.

He was taken to his home in San Francisco and is now rapidly recovering from his injuries.

Mrs. S. H. Whiting went down to San Francisco Tuesday for a short visit.

FIRE CHIEF'S BENEFIT WAS BIG SUCCESS

Crowd Thronged Boyes Springs Theatre In Appreciation of Geo. Cause of Valley Department.

If Fire Chief George Cause had any doubts as to the appreciation felt by the community of his services as head of the Boyes Springs and Valley Fire Department, they were completely dispelled last Saturday night when crowds thronged the Boyes Springs theatre and gave him a demonstration of Sonoma Valley's loyalty, which he will never forget. The crowd came from every part of Sonoma Valley and from remote points where the services of the chief are also known. The summer colony was out en masse too for the occasion. All the summer resorts were represented and not only sent delegations to swell the door receipts, but also lent entertainers to contribute program features. The program would have done credit to any of the big vaudeville circuits or to Taits, Marquardts or other metropolitan cafes, but instead it was a "peppy" show from Sonoma Valley's galaxy of talent contributed by the Lark, Caliente Villa, the Tavern at Verano and other well known resorts. The Syncopated Four of Sonoma furnished music for dancing. Wilfred Cohen read an original poem by Mrs. McMillan on the Chief and some of the leading lights of the Boyes colony. There was speech making and many oratorical bouquets for Chief Cause and his department, and everyone in the crowd enjoyed the big night immensely. Mr. Long of the well known taxi service was master of ceremonies and proved that it was his long suite.

Several clever song and dance numbers, beautifully costumed were given by the talented juvenile Mamie Soto who won the hearts of all the audience with her grace and beauty.

The tire changing contest proved exciting and was won by Sonoma's popular young vulcanizer, S. A. Robinson in 5 minutes and 20 seconds.

Chief Geo. Cause in a spic and span new uniform was radiant with joy at the ovation given him and extends through these columns his heartfelt thanks to all those who helped make the testimonial the great success it was.

Mrs. Joseph Felder enjoyed a pleasant vacation of two weeks at the Summit Hotel in the High Sierras this summer.

RAILROAD IS TO COMPETE WITH AUTO BUSSES

Railway Motor Car Representatives Return to Sonoma Valley And There Is Activities Reported From Santa Rosa Also.

There are persistent rumors to the effect that the Northwestern Pacific railroad is to give its competitors, the auto busses, a real run for their money. In addition to the inquiries being made in Sonoma Valley last week by representatives of the California Car Company , builders of railway motor cars, as to the support which might be accorded quicker and better service between here and San Rafael is the following news from Santa Rosa: "A report has gained currency in certain circles that the Northwestern Pacific Company is preparing to place on the Santa Rosa-San Rafael run the first of the month to connect with the electric cars for Sausalito, two new and handsome steel coaches of an entirely new design operated by electric motors, the power being generated by a powerful gasoline engine. Two men, a motorman and a conductor, will comprise the crew, and two round trips will be made each day and more later if the business justifies.

The big steel coaches now in the Sausalito yards are declared to be the very latest thing in railroad car architecture and very speedy. They are finished in Pullman style and are unusually long, being of 80 passenger capacity. It is declared that they have proven very succesful in the east where they are used extensively.

The new cars, it is said, are to be installed to compete with the auto stages and the steam road and will afford unusually fine winter service. If the cars are a success, more will be added."

That the Northwestern Pacific may be induced to put on railway motor cars in Sonoma Valley is believed quite possible. The success of the several motor bus lines shows that the public will patronize the right kind of service. Messrs. Miller and Wright who were here last week in the interest of the Richmond concern which builds railway motor cars, returned Monday and are further exploiting this field to ascertain its needs and possibilities. Mr. Hargrave of the company will speak here Monday night before the Business Mens Asociation. Everyone interested in better transportation facilities for Sonoma Valley is urged to attend.

The president of Mr. Hargrave's company is A. D. Bowen, designer of the California Railway Motor Car. They claim that this car can be put on a railroad and operated with one man at a cost not to exceed 12 cents per mile, one tenth the cost of operating a train and one half that of the motor bus. Frequent, rapid, safe comfortable and cheap transportation is guaranteed by the designer of this motor car for railroads.

SONOMA ATTORNEY WEDS DELANO LADY

C. C. Cowgill Takes Bride Whom He Had Known in Kern County.

A marriage license was issued Friday of last week in San Francisco to C. C. Cowgill of Sonoma and Margaret J. Collins of Delano, Kern County. Mr. Cowgill is the well known Sonoma attorney, 69 years of age and his bride, a former school teacher and widow, aged 64 years. The romance which has terminated in this union of the couple dates back to old friendship and ripened into affection more recently while attorney Cowgill was handling legal matters for the lady now his wife. The bride is reported to be very well-to-do and has valuable interests in Kern County. She is a lady of culture and refinement and will be quite an acquisition to local social circles. Attorney and Mrs. Cowgill will reside at the Cowgill home in the easterly limits of town, the house having recently been remodeled and renovated.

Cowgill was formerly a prominent member of the bar in Kern county and has been practicing here for several years.

I.O.O.F. ORPHANS BENEFIT GRAND SUCCESS

Clubhouse Thronged With Patrons of Worthy Cause Helped By Rebekahs

The annual benefit for the orphans home maintained by the I. O. O. F. was given here Thursday night and was the most successful in the history of Verdant Degree Rebekah Lodge. The Woman Clubhouse was packed to capacity and the booths liberally patronized.

The fancy work table presided over by Mrs. Louise McElroy netted over $150 and fully as much was realized on admissions, the punch bowl presided over by Miss. D. Bancroft and Mrs. Roy Pauli, the candy booth in charge of Mrs. Giourno and the fish pond directed by Mrs. P. Angove.

A fine program interspersed between dances to the augmented orchestra was enjoyed. Mrs. Chas. Champlin, Miss Fox, Mrs. Geo. Campbell, Mrs. A. E. Flieger, Geo. Angove and others were on the program.

OIL STRIKE ON RANCH NEAR SONOMA

C. Sganzini, owner of the former Lehrke ranch reports striking oil while boring for water on his place. The fluid seems plentiful and has been passed on by the local Standard Oil agent who declares it to be the real thing.

The ranch is already famous for a reported find of buried treasure some years ago. It is now a dairy. The owner C. Sganzini had already refused to sign an oil lease and still declares he will not do so.

THE LABOR SITUATION AND ITS REMEDY.

IT IS DISCONCERTING to follow the news columns these days and to read on one page of the Washington conference on nation wide unemployment and on another of the probable strike of railroad employees if their high wages are not maintained. It should be plain to everyone and most of all to those talking strike that if there is real unemployment in the United States it is a poor time to win demands of any sort by striking and a poor showing of the spirit of brotherhood to try and maintain high wages in the face of the many who have no wage coming in at all and no prospects of getting any. To further augment the national problem of unemployment and accelerate national industrial distress by striking is nothing short of disloyal and they are ingrates who wax fat in times of war prosperity and economic emergency and refuse now to meet the crises which that expediency and necessity has really created.

The prosperity which has been confined to the few must be more widely distributed. The $8 wage must be cut up and be made to go around. Strikes to maintain high wages will not be tolerated. The country is too vitally interested in seeing the wheels of industry in motion. The provident worker will work out his salvation as long as furnaces glow and the smoke from many stacks carries with it the guarantee of industry. In the face of a shut down, it is a hopeless outlook for individual, a ruinous future for the country.

The national conference on unemployment should first of all make the strike for war standard wages a punishable offense. Having done that it may proceed to work out a constructive program by which all employers and employees will cooperate on an intensive drive for sound industrial development.

SPELLING HAS LITTLE TO DO WITH THIS AMERICAN PROTEST.

THE MONTHLY ORGAN of the "drys" in California which is beginning to wheeze over the results of prohibition in the United States has an article this month purporting to show "the social elements which are opposed to prohibition and against the enforcement of law." It declares that no school teachers names could be found on a recent petition to hold up a county ordinance against violation of national prohibition, but that there were plenty of foreigners who couldn't even spell their occupation.

While education is highly desirable, we thoroughly believe that it was not education which kept the school teachers from signing the petition. Education unfortunately does not give complete freedom to those employed to disseminate it. A teacher has not anything like the independence of action which an individual of his or her calibre should have. They are hired to shine as examples and from their pedestals must make no false moves. Independence of thought they may exercise but it is not registered on petitions for obvious reasons.

The illiterate who could not spell and signed the petition were independent and dared to do what they believed right and just. Believing national prohibition wrong, they refused to compound the injustice and un-Americanism by passing a county "dry" ordinance.

It is unfortunate that through lack of schooling or because of carelessness the occupation titles of good and useful citizens, taxpayers and defenders of our United States should have been misspelled. The same illiteracy was apparent among those called to the colors during the recent war. It has been widely deplored but we venture to guess that some of those very "farmiers, cheffers, buchers, hotel keppers and fuit biers" were the first to go "over the top" for Uncle Sam, and among the honored doughboys cited for gallantry and bravery in the ranks. They might not qualify for officers or leaders but culture did not win the war as we all know.

We trust that in the no far distant future, Americanism will be symbolic with education, at least guarantee familiarity with the English language both spoken and written but to declare that "enforcement of the Eighteenth Amendment and the Volstead law is largely a problem of Americanization" is folly. Too many old line Americans have expressed themselves on that score. Too many 100 per cent newspapers are expressing themselves daily and too large a percentage of our citizenship is convinced that if Volsteadism is Americanism, democracy is autocracy and reformers the only simon pure Americans in the land. Whither are these simon pure Americans leading us? What further spectacle of the failure of their dream to banish the abuse of liquor must they furnish us? What further waste of national funds will they be permitted? These are questions the masses, regardless of social class are asking and the more insistent the demand for an answer the quicker the humiliation to which America is being subjected will be recognized and ended.

ALL CHILDREN MUST BE REGISTERED.

Ben F. Ballard, county superintendent of schools, has issued a circular letter to trustees, principals and teachers of the county regarding the registration of minors as required by the recently enacted law. The letter follows:

"Pursuant to the provisions of the law, which was approved by the Governor June 3rd, 1921 and went into effect July 30th following, the first full week in October of each year is designated as Official Registration Week for minors under 18 years of age and over three years of age: provided, that in cases of emergency another week other than the first week in October shall be designated as official registration week. Since the convention of the Bay Section of the California Teachers' Association is to be held during the first week in October and the Sonoma County Teachers' Institute is to be held in conjunction with said convention, it has become necessary to fix and designate the second week in October as the official registration week for minors in Sonoma county.

"You will therefore, take notice that during the week of October 10 to 1, inclusive, all minors under the age of 18 and over the age of 3 years will be registered.

"The law makes it the duty of the principal and elementary school teachers of the district to serve in their respective schools as registrars of minors.

"Should there be a vacancy in any regular teaching position in any district, or should any teacher of a district be unable to act on account of illness of other cause that would be sufficient to excuse him from regular school work, some other teacher or some person or persons appointed by the Board shall take his place as registrar.

"It shall be the duty of every parent, guardian or other person having control or charge of any minor under the age of 18 years and over the age of 3 years, to cause such minor to be registered each year according to the provisions of the law, on the official registration days at a public elementary school house in the school district in which he resides.

This means that each parent, guardian or other person having control or charge of any minor shall go to the school house during school hours on the designated registration days and give the information required to the teacher or teachers who are the duly authorized registrars under the law.

"It is quite necessary that full information be sent to every home in every school district where there are children and parents and guardians must make it their business to appear at the school house on the designated day to give the necessary information to the registrars.

"Full instructions, together with notices to be posted and registration blanks will be sent to teachers just as soon as they are received.

"Boards of school trustees should make it their duty to assist in getting a full and complete registration of minors in their respective districts."

San Francisco, Sept. 29.—The California Industries Exposition to be held in San Francisco's Civic Auditorium from November 19th to December 10th will represent an investment in exhibits and decorations of more than $10,000,000, according to directors of the undertaking.

For the first time the people of California will have an opportunity of seeing the industrial strength and resources of the state fully and exclusively arrayed, as nothing that is not made in the Golden State will be allowed to compete for the attention of the exposition visitors.

The exposition is a civic undertaking on the part of San Francisco organizations. Its object is to stimulate the industrial development not only of Central and Northern California, but of the state as a whole. A panoramic setting depicting the industrial and commercial future of California, executed in a bold and original way is now in course of preparation.

CONGREGATIONAL CHURCH SONG SERVICE.

The Congregational Church choir has resumed its activities after the vacation season, with Mrs. Adelaide Savacool as leader and Miss Eva Fauchier organist. They lead the congregational singing as well as furnishing some extra numbers at each church service. The sacred concerts which proved so popular last year are to be resumed on tomorow evening, October 2nd, at 8 p. m. At this first concert the local choir will be assisted by Miss Emilie Poppe at the organ and a trio of trained musicians from San Francisco. The following program will be rendered:

Organ Prelude—Miss Poppe.
The King's Business—Congregation
Scripture Reading and Prayer—Rev. I. Cookman.
Violin Solo
Vocal Solo—Mr. Y. Giorno.

NEW MAIL SERVICE MORE SATISFACTORY.

The railway mail service in and out of Sonoma has been improved as a result of the protest of the Sonoma Business Mens Association and patrons of the local office. The department took up the matter with Postmaster Wagnon who has now been enabled to get the service shown herewith.

It will be seen that in order to get a letter from Sonoma to San Francisco delivered there early the next morning, mail must be posted by 6:30 p. m. as it goes first to Santa Rosa and out of there on the first train to San Francisco. If posted here after 6:30 p. m. mail will be dispatched to San Francisco on the N. W. P. railroad the following morning.

Arrivals of mail at Sonoma Postoffice Sonoma, Cal. Sundays excepted.

VALUE OF THE SARAH CAMPBELL ESTATE

The final account in the estate of the late Sarah Campbell which was filed in the probate court at Santa Rosa last week showed the value of the estate to be $3095.42.

Distribution to the heirs, Mrs. Anna Carlson of San Francisco and Miss Margaret Campbell of Berkeley was ordered. Miss Campbell is a niece of the divorced husband of deceased to whom Mrs. Campbell left but $1. The other heirs received $1,547.71 each.

The executors of the estate were Anna Carlson of San Francisco and James F. Tate of this place.

SPECIAL PICTURES AT FETTERS THEATRE TONIGHT AND TOMORROW

Two strong attractions are booked for the Fetters Springs theatre tonight and tomorrow night, with a change of pictures each night.

Saturday's film drama is Alma Ruebens in "The Answer," a seven reel super production on Socialism.

Tomorrow (Sunday) evening the great Sonoma favorite Bessie Love, one of whose films was filmed here will be seen at Fetters in one of her greatest successes "The Little Reformer."

Pictures and dancing every night are on the bill at Fetters Springs Theatre with excellent jazz music included.

Capt. Will Stofen and wife have just been heard from. They were at Rotterdam, Holland and from there were sailing for Dublin. Capt. Stofen is master of a big grain carrier and was permitted to take his wife on the cruise which makes all the leading ports of the world. He is only son of Mrs. Dora Stofen of Broadway and comes from a family of mariners on his father's side.

TWO ENTERPRISING FIRMS ADD TO IMPROVEMENT

In order to have the streets paved from curb to curb in the vicinity of their properties the Sonoma Valley Bank and F. Clewe have authorized contractors Gorrill & Gorrill to widen out the 18 foot pavement on Broadway to full width along their Broadway frontage.

The cost of a curb to curb pavement throughout the city was prohibitive so the trustees of Sonoma included only the Napa St., business blocks in the full width paving specification. The firms above mentioned decided to have the complete improvement and will pay for it themselves. As the Clewe-Sonoma Valley Bank corners are among the most prominent ones in Sonoma, the enterprize of the owners will be appreciated by everyone who takes pride in our city.

SONOMA FIRE ENGINE EXTINGUISHES GRASS FIRE

A serious grass fire started Tuesday near town and the Sonoma fire engine was rushed to the scene as many dwellings, barns and outhouses were in jeopardy. The Sonoma department did very effective work, particularly first assistant chief, Sam B. Lewis, who declared that he and August Pinelli arrived at just the critical stage of several very menacing turns the fire was about to take and checked the flames just in the nick of time to avert a widespread conflagration. Mr. Lewis' heroic work in the intense heat and in the face of the menacing fire which surrounded him was widely commented on by all who witnesed him battling the flames. The Boyes Springs department responded to the alarm also. Damage was confined to pasture and some fencing.

HAVE PURCHASED MEINHARDT'S GARDENS

Mr. and Mrs. Zwickel, experienced caterers, have purchased the popular resort formerly known as Meinhardt Gardens and will conduct it in the future. They will serve the best of everything and specialize on ice cream, sherbet and light lunches served in the garden or indoors. Zwickels will continue to be one of the most popular Sonoma Valley places with summer and local folks. It is conveniently situated on the highway, opposite Fetters Springs and is beautifully located amid the trees and natural rustic surroundings. The place will be called Zwickels from now on.

Mr. and Mrs. Meinhardt have retired from business and purchased a lot at Boyes Springs.

UP TO DATE RESTAURANTEURS INSTALL GAS

In order to give their patrons improved and modern service two well known Sonoma Valley resorts have installed gas machines for cooking and lighting, the machines recently demonstrated here by Mr. Easton of Petaluma.

The Sonoma Valley Restaurant at Boyes Srings and the resort of C. Clementi have both put in Home Gas machines and now have all the convenience of the city at their places

The gas machines sell everywhere they are shown and Mr. Easton has a big future with his wonderful invention.

SALVATION ARMY THANKS ALL WHO HELPED DRIVE

The Salvation Army Drive in Sonoma County is now only Nine Hundred Dollars short of the desired Four Thousand Dollar quota and according to the County Drive Committee the needed balance will surely have been fully subscribed within three or four more days, as virtually everyone who is approached is cheerfully giving within their means. Everyone recognizes in the Salvation Army a most worthy and self-sacrificing organization and seems eager to help so it is no wonder that the Committeemen are genuinely pleased.

There has been a distinct shortage of volunteer workers from the start but to offset this Major L. Allison Coe, Divisional Commander for Northern California, has dispatched several cadets and office employees from Divisional Headquarters Staff in Sacramento to this community and these valiant souls have performed magnificent and untiring work which has won them much deserved commendation.

The Salvation Army is deeply grateful for every contribution which it has received both large and small and through the columns of this newspaper it humbly thanks everyone who already has contributed or who still intends doing so.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

DINNER PARTY AT LOCAL HOTEL

A party of Santa Rosa folks including a number of wellknown county officials were joined here Saturday last by Messrs. Schocken, Jackson and Murphy and participated in a fine dinner at John Decanini's Fior de' Italia Hotel. An excellent menu was enjoyed and wit, repartee and general goodfellowship prevailed throughout the pleasant hour around the festive board. Chef John was highly complimented on his excellent dinner.

Mrs. Arthur Luce was among those who came down from Santa Rosa Wednesday for the County Federation meeting here.

THE PRICE OF GRAPES THIRTY YEARS AGO.

"In Napa valley the injury to grapes resulting from the uncommonly long season of warm weather will effect prices, and higher figures are talked of now than before the crop was damaged.

A few weeks ago $6 per ton was generally mentioned as the probable price that would be paid for the more common varieties It is very evident that growers will receive considerable more than they thought possible six weeks ago.

We have interviewed several prominent winemen this week in order to ascertain what they are offering for grapes this year. None of them have set any price yet. Those in the vicinity are evidently waitning to see what Schilling and Carpy will offer.

CATHOLIC FAIR THIS MONTH TO BE SPLENDID ONE.

The Catholic Fair this month for the benefit of the building fund of St. Francis parish will be one of the best ever given in Sonoma county. The booths will be replete with hundreds of useful and beautiful articles and already interest is keen in many fine things being sold for the good cause. Among the handsome donations received and to be sold are a fine family cow, cabinet Victrola, mission style rocker, auto robe and many others. The hope chest, one of the most elegant and costly ever offered has been on display recently at the City of Paris in San Francisco and will be later brought here for exhibition. It is the gift of San Francisco friends of the popular local pastor, Rev. J. F. Byrne.

A program for each night will be offered by imported talent and something exceedingly clever is promised.

The decorative features and refreshments are occupying the attention of special committees for the three big nights of the Fair, Oct. 27, 28 and 29.

LONDON RANCH HAD BIG GRASS FIRE.

A grass fire thought to have been started by a careless smoker started a menacing conflagration on the Jack London ranch Thursday. The flames swept the dry grass and brush burning over forty acres before it was controlled. The volunteer fire fighters fought back the fire from the Madrone and Wake Robin lodges which were threatened.

Chief Cause and his department controlled the fire with the chemical engine from Boyes and saved the famous eucalyptus grove planted some years ago by the late Jack London. Fire fighters battled the flames from 12:30 to 5 p. m. before the fire was completely under control.

IRVING SHEPARD WINNER AT STOCK SHOW

At the San Joaquin stock show recently Irving Shepard of the London ranch captured the Grand Champion prize for Golden Milmar, the bull which is a recent acquisition to his Valley of the Moon herds. He won out in competition with a $2500 sire. Shepard also took several prizes for his heifers.

The young stockman is rightly proud of his showing at San Joaquin.

FAIR DAUGHTERS OF SONOMA SHINE AT FIESTA.

Miss Anna Lou Dresel who represented the Sonoma Valley at Santa Rosa's fiesta last week, wore a crescent trimmed costume symbolic of "the Valley of the Moon" and was much complimented on her appearance in the ceremonies. Little Miss Maxine Hunter and Florence Robin, two of Sonoma's daintiest girls also carried out the Valley of the Moon idea. Miss Virginia Pomeroy won plaudits for her part in the pageant and her dancing in the Russian dance which was one of the important features of the Russian Era episode in the story of Sonoma county.

CARD OF THANKS

I wish to thank the people of Sonoma Valley for their attendance at the recent benefit accorded me and desire to extend special thanks to the press of Sonoma City and to all who assisted with the program including Mamie Soto, Miss Edna Baron, pianist and Miss Dexter, M. NATIVE DAUGHTERS ANNUAL DANCE OCT. 22

The Sonoma Parlor of the Native Daughters of the Golden West are perfecting plans for their sixth annuual dance which has come to be one of the most popular events on the social calendar. The 1921 dance will be given Saturday night Oct. 22 at the Woman's Club house. Perkin's music will be replete with the latest jazz hits.

Mrs. A. Adler is chairman of the arrangements committee and is leaving nothing undone to make the dance one of the best ever given by the Parlor.

GRAPE PICKING AND VINTAGE SEASON AT ZENITH.

The 1921 vintage season is at its height in Sonoma Valley vineyards. The excessive warm weather bids fair to bring grapes to 30 per cent sugar content. Despite the shortage of cars for shipping, picking is going on rapidly for the wineries will take care of a large amount of tonnage and many thousand gallons of juice will be crushed. The wineries of Pagani and son L. Kunde, Goldstein, Sorini, and Sebtasiani, and others will handle a large amount of grapes.

The Goldstein vineyard will crush its own grapes and 32 pickers are now busy gathering the crop, which while not large has turned out exceedingly well under the skillful direction of superintendent Theo Blankenburg.

The superintendent is an expert viticulturist with a European training and many years experience in California vineyards.

GLEN ELLEN CLUB WOMEN SCORE SUCCESS.

Another of the succesful card parties which are given every two weeks for the London memorial fund by the Glen Ellen club ladies took place Thursday night. Mrs. R. P. Hill, Mr. Anderson, Arthur Kunde, Mrs. Shirley Weise and others captured prizes. At a recent card party over $50 was cleared, Mrs. Rochambeau of San Francisco still loyal to Glen Ellen, sending a beautiful gift which was disposed of at the card tables.

Mr. and Mrs. Brown of Alameda accompanied by their daughters, Adeline and Claire have been visitors at the home of Mr. and Mrs. Chas. Potter. Mrs. Brown was formerly Miss Lottie Potter.

Mrs. J.H. Shofner has returned form the Imperial Valley where she spent some time with her married daughter and had a delightful visit.

Schellville friends are expecting a visit from Mrs. Wernett who recently moved to Richmond. Mr. Wernett was transferred by the railroad to that division so Mrs. Wernett and daughter went there to make their home.

Mr. and Mrs. Arthur Drake have recently returned from Modesto where Mr. Drake's mother has been lying very ill. Mrs. Drake was here this week visiting her father, Geo. Engler.

VINEBURG NEWS

Old Sol did not do a thing this week but make it warm for everybody. But then Sol is a good old scout for he certainly ripened the grapes and put the sugar in them so they can brew the "nectar of the Gods" for sacramental purposes "only" but not for medical use, for squarehead Volstead says that poor sick people have no right to expect any of the nectar.

Miss Mildred Rueder of Berkeley is at present the guest of Mrs. Peter Bosch of Vineburg and the young lady is delighted with the Valley of the Moon.

Mr. Victor Clements of the University at Berkeley was exchanging greetings with his many friends in this vicinity on Sunday last. We were glad to see Vic.

Miss Margaret McDevitt, one of Sonoma's fair young ladies was the guest of Miss Emily Batto on Tuesday evening.

Grape picking is progressing fine and so is the price of grapes soaring.

About 3000 sacks of grain and mill feed have arrived at the Batto warehouses this week and more in transit and the chickens are happy.

EASY JIM.

Mrs. Grace Reynolds has been here from Half Moon Bay visiting her brother Chas. C. Champlin, wellknown dairyman.

Conforti & Lorenzi are shipping grapes from Gilroy. They shipped 58 cars east already this season.

Miss Annie Laurenzi is here after spending the summer at Feather River Inn where she was bookkeeper.

Mr. and Mrs. Wm. Durant returned last Sunday from a three week's visit in Nevada with Mr. Durant's daughter Mrs. Charles Cheney. Mr. Cheney has been in the S. P. shops at Sparks twenty years. The Durants say Nevada is booming with much building in progress. In the new Masonic temple at Reno the carpet alone is to cost $2600.

Fire Warden Laughlin and Jack Murray who were given credit in some of the papers for their fire fighting, were not on the London ranch until long after the fire was out says Chief Cause of the Boyes Springs Dept.

Mr. and Mrs. Agnew and Mr. and Mrs. H. Campbell of Petaluma were here for the Rebekah's dance Thursda evening.

Mrs. Eva Peck has come from southern California to make her home with her sister, Mrs. Chas. Champlin, on the Petaluma road.
